H M presides over National Day parade

Adam - His Majesty Sultan Haitham bin Tariq, the Supreme Commander, presided over a military parade on Saturday at the military parade ground of Adam Air Base in the Governorate of Dakhliyah on the occasion of the 53rd National Day of Oman.

The event saw the participation of symbolic units representing the Royal Army of Oman (RAO), the Royal Air Force of Oman (RAFO), the Royal Navy of Oman (RNO), the Royal Guard of Oman (RGO), the Sultan's Special Force (SSF), the Royal Oman Police (ROP) and the Royal Court Affairs (RCA), in addition to the ground and mounted military music bands.

Upon His Majesty the Sultan's arrival at the parade grounds, he was received by H H Sayyid Shihab bin Tariq al Said, Deputy Prime Minister for Defence Affairs; Gen Sultan bin Mohammed al Nuamani, Minister of the

Royal Office; Vice Admiral Abdullah bin Khamis al Raisi, Chief of Staff of the Sultan's Armed Forces (SAF) and Air Vice Marshal Khamis bin Hammad al Ghafri, Commander of RAFO.

When His Majesty the Sultan ascended the Royal Dais, columns of the parade performed the military salute. The joint corps of military bands played the Royal Anthem, while the Sultan of Oman's Artillery fired a 21-gun salute for His Majesty the Sultan. Then, the parade commander stepped forward to the Royal Dais, requesting His Majesty the Sultan to signal the start of the military show. The joint corps of military music bands representing RAO, RAFO, RNO, RGO, ROP and RCA played sundry tunes as they marched in slow and normal pace before the Royal Dais.

Then, columns of the Protocols Guard joined the parade and performed ceremonial gestures to the ac-

companiment of melodies from the joint corps of military music bands performing the military salute to His Majesty, the Supreme Commander.

His Majesty the Sultan watched a musical show by mounted bands of the RGO cavalry and the Royal Cavalry at the RCA. They passed before the Royal Dais, performing the military salute to His Majesty the Sultan.

Later, the columns of the parade performed an ensemble of cheers that proclaimed 'Faith in Allah, Loyalty to the Sultan, Sacrifice for the Nation'. They chanted thrice 'Long Live His Majesty Sultan Haitham bin Tariq, the Supreme Commander'.

Later, the joint corps of military music bands played the Royal Anthem, while the columns of the parade performed the military salute marking the conclusion of the military show.

I envision a future where Oman is at the forefront of the digital era. Adopting digital infrastructure and e-governance will lead to sustainable development that would eventually help optimisation of resources and reducing waste. Our natural landscapes, embodying strength and diversity, mirror the qualities of our people. Oman's beauty and resilience are what captivate me the most. The spectacular mountains resemble resilience and strength, and the mesmerising coastline resembles diversity and dynamic nature.

DREAMING BIG

The Sultanate of Oman commemorated its 53rd National Day on Saturday, a celebration of significant achievements guided by the wise leadership of His Majesty Sultan Haitham bin Tariq across various spheres of life. On the occasion, Muscat Daily readers shared their aspirations and thoughts about the sultanate's future and the elements of Omani life that resonate the most with them.

I love Oman's rich cultural tapestry, tracing back to ancient times. Our people's warmth and hospitality make Oman truly special. We have a deep respect for tradition while embracing modernity. Our commitment to preserving our heritage through historical sites and festivals is a testament to our rich history. Oman's balance of tradition and progress is remarkable. From

I look forward to seeing Oman's urban planning evolve, with an emphasis on residential spaces, efficient public transport, and diverse business opportunities. I would like to see multi-storey parking in all congested areas, and implement quick measures to alleviate the congestion. Limit the number of shops in certain

shopping areas and spread them to other areas so as to give them a reasonable chance to have a profitable business. Also, the Ministry of Labour should remove restrictions on types of jobs for expatriates. Let the market demand decide.

As an innovator, I'm inspired by the strides our youth have made in global competitions. It shows the brilliance and determination of the Omani people. We're eager to lead in tech-

nology and want to see Oman establishing semiconductor factories, achieving food self-sufficiency, and investing in local talents.

The creative spirit of Omanis has always been evident across various spheres, yet our progress has not been at the desired pace. To truly match strides with developed nations, it is essential to empower our younger generation. Refreshing our approach and entrusting the youth with leadership roles in creative endeavours will be pivotal for significant advancement in the coming years.

Our identity, shaped by our wise leadership, fills me with pride. Oman's richness in culture and resources inspires us to dream big for the future.

FINAL HURDLE

Aussies look to stop flawless India's pursuit of glory

Ahmedabad - In the highly anticipated World Cup final between India and Australia, the age-old rivals will script yet another chapter in their fierce contest. The grand showdown at Ahmedabad's Narendra Modi Stadium on Sunday will be a fitting conclusion to a tournament where both teams have displayed their mettle.

India, riding high with an unbeaten streak of ten wins, commenced the tournament by thumping Australia, who recovered from an initial slump with an impressive eight-match winning streak.

Mitchell Starc, Australia's fast bowler, expressed their eagerness to face India, stating, "We want to take on the best. They've been the best in the tournament so far." India's skipper, Rohit Sharma, led from the front, particularly in the semi-final victory against New Zealand, dispelling doubts about their knockout

Rohit Sharma (left) and Pat Cummins with the World Cup trophy

game performance.

"The top-five-six batters, whenever they've gotten an opportunity, they've made it really count," captain Rohit highlighted, praising the team's batting prowess.

Their bowling attack showcases the brilliance of bowlers like Jasprit Bumrah and Mohammed Shami, with Kuldeep

Yadav and Ravindra Jadeja adding spin power to the mix in their quest for a third World Cup title.

While India carries the weight of expectations, fueled by the history of host nations winning the last three editions, Australia, with their knack for stepping up in crucial moments, eyes a sixth World Cup victory.

Australian skipper Pat Cummins and his team faced a tough semi-final against South Africa but remain a formidable force.

With the likes of leg-spinner Adam Zampa, an in-form pace attack, and the explosive batting prowess of Glenn Maxwell they always pose a threat.

Despite past encounters favouring Australia, India's coach

Rahul Dravid, having experienced Australia's dominance in the 2003 final, understands the challenge ahead.

Skipper Cummins, despite anticipating a pro-India crowd, is excited about leading Australia to another title

"It's going to be packed, pretty one-sided I reckon, so you just have to embrace it," he said.

'It's for us to do it for Rahul bhai'

Ahmedabad - Rohit Sharma is battle-ready for the ICC Men's Cricket World Cup 2023 final and wants to win the silverware in honour of Indian legend Rahul Dravid.

At the start of the tournament, India were considered favourites to go the whole way and win the ICC Men's Cricket World Cup 2023. While the tag of favourites can bog teams down, the Men in Blue have thrived on it and have gone on a sensational unbeaten run, winning all 10 games en route to the final against Australia.

Rohit pin-pointed the understated role of Dravid in India's run as well as his own batting, while emphasising the team's determination to win the trophy in honour of the Indian legend.

"His [Dravid's] role has been absolutely massive in terms of getting that clarity which I keep talking about," Rohit stated. "It's one thing for me to think about and another thing for the coach to not

agree to certain things.

"Clearly, looking at how Rahul bhai himself has played his cricket and how I play these days is quite contrasting. For him to agree and give me that freedom and liberty to go and play like that says a lot about him."

The Indian captain glowingly spoke about how the coach has helped the team bounce back thereafter in the months leading to the 2023 World Cup.

"Also the way he has stood by the players in difficult times, especially during and after the T20 World Cup," Rohit added. "We had a good run up until the semi-finals and then we lost. And how he reacted to certain situations and informed the players about how we want to play says a lot about him as well."

"And obviously what he has done for Indian cricket is massive. He too feels that he wants to be a part of this big occasion. It's for us to do it for him."

Cummins heroics quashes captaincy doubts

Ahmedabad - Pat Cummins is uncertain about continuing as Australia's one-day international captain, but he has earned immense respect from his compatriots after his remarkable performances in India in the World Cup.

Throughout the tournament, Australia has seen standout performances from players such as Adam Zampa and David Warner. However, Cummins's incredible courage and unexpected batting heroics have been instrumental in

his team's resurgence after two initial defeats.

His unbeaten 14 in the semi-final against South Africa sealed victory, illustrating his crucial role with the bat on multiple occasions during the competition.

In an earlier game against Afghanistan, Cummins paired with Glenn Maxwell, staying resilient and enabling Maxwell to secure a double century and a remarkable win for Australia.

Australia has had its fair share of stern captains, from the deter-

I think it's (batting) easier out there than sitting in the dugout

PAT CUMMINS

mined Allan Border to the composed Steve Waugh. In contrast, Cummins has brought a lighter atmosphere to the team environment, maintaining a jovial spirit on the field, even during intense

moments.

"I think it's easier out there than sitting in the dugout," Cummins said about batting. Having led Australia to victory in the World Test Championship in June, Cummins aims to join the ranks of iconic Australian captains like Border, Waugh, and Ricky Ponting by securing the 50-over World Cup title.

Despite his achievements, Cummins has faced criticism for his captaincy, often seeking guidance from former captain Steve

Smith and coach Andrew McDonald. Doubts have lingered in Australia about a fast bowler taking on the leadership role in the team. However, Cummins's pivotal contributions, including vital wickets and exceptional fielding, turned the tide after the initial setbacks against India and South Africa.

His leadership has propelled Australia to eight consecutive victories, positioning them to potentially clinch the title against hosts India.
